## PM promises ...

"We are committed to ensure all round development of J&K... the delimitation exercise and peaceful elections are important milestones in restoring statehood as promised in parliament," Shah tweeted. Both the National Conference and the Peoples Democratic Party (PDP) leaders laid stress on the government resuming dialogue with Pakistan and resumption of the train and bus services between the two countries. They said the PM made no commitment on these demands, pointing out that the onus rests on Pakistan to create a "conducive atmosphere" by stopping terrorism in J&K. Veteran Congress leader Ghulam Nabi Azad, a former CM who held a meeting of the leaders at his residence before the meeting raised five demands on behalf of the Congress. The uppermost in his demands, which was also backed by other leaders, is a constitutional guarantee to state domiciles to protect their land and employment rights. Other Congress demands were: 1. Restoration of Statehood, 2. Release of all political prisoners, 3. Conduct the Assembly elections at the earliest and rehabilitation of the Kashmiri Pandits. Other former CMs in the meeting included Dr Farooq Abdullah and his son Omar Abdullah of the National Conference and PDP chief Mehbooba Mufti. Those joining the meeting included four former deputy chief ministers -- Tara Chand of Congress, People's Conference leader Muzaffar Hussain Baig and the BJP's Nirmal Singh and Kavinder Gupta. Others in the meeting included CPI-M leader Mohammed Yusuf Tarigami, J&K Apni Party chief Altaf Bukhari, Panthers Party chief Bhimsingh, Sajid Lone of the People's Congress, Congress leader G A Mir and BJP's Ravinder Raina.

## SC asks...

The Andhra Pradesh Government on Thursday evening cancelled the physical examination of Class 12 it planned to conduct after the critical remarks by the judges in the SC. "When all others have cancelled (XII exam), you cannot hold it to show that you are different," Justice Khanwilkar remarked. The Court, however, made it clear that it is not endorsing the correctness or validity of the proposed schemes to be formulated by the concerned boards. "That will be considered on its own merits, if and when an occasion arises."

Capping the limit of transfers, government has allowed only 20% of transfers for departments that have total posts up to 200, 10% for total strength of staff 2000 and only 5% where total number of staff is more than 2000. The order also clarifies that cancellation or correction in transfer order also falls under category transfer. Shifting of a person from office to another at the same headquarters will be considered as local arrangement and does not fall under category of transfer. All transfers of class one, two and three of the state government will be finalized only on the recommendation of the department's minister.

Transfers in the police department of the level of DSP and above could be done on the recommendations of the police establishment board and with coordination with the CM. Relaxation has been given to severely ill, physically disable and people posted on court's orders. The policy also stresses to ensure that transfers are done on vacant posts and that it does not exceeds number of sanctioned posts.

"Just two days before they issued me a notice under Section 41A of the CrPC (notice for appearance before a police officer), they had issued a notice under Section 160 CrPC, calling me as a witness," Maheshwari told the court. In an interim order, the Karnataka High Court said that the matter required consideration and restrained the Ghaziabad police from initiating any coercive action against Maheshwari till June 29, the date on which the court said it would hear the case further. The court added that in the meantime, if the Ghaziabad police wanted to examine Maheshwari, they could do so online. Maheshwari had earlier told the Ghaziabad police of his readiness to join the probe via video. In the FIR, the Ghaziabad police said that despite the police statement on the incident, the accused had not pulled down their tweets where they had shared the video. Twitter has also been named in the FIR, as it did not take any action to take down the tweets.

The journalists said they had only shared the victim's version. Rana Ayyub had also moved Bombay High Court, which granted her protection from arrest for four weeks. Mohammed Zubair has also moved the Karnataka High Court for pre-arrest bail and the court has issued notice in the case. The Wire responded to the FIR saying the police were trying to make an "attempt to criminalise the reporting of anything other than the official version of events". The Editors Guild of India had also condemned the "wanton misuse of laws to criminalise reporting and dissent to harass independent media", in a statement.

He further said, "If I get a chance to travel solo next time I will refuse. It is good for once in a lifetime experience. It was very boring." UAE has put restrictions for passenger flights from India since late April in view of the surge in cases of coronavirus. Air India has refused to comment on the matter.

## Tejaswi Yadav asks Chirag to quit NDA

PATNA: RJD leader Tejaswi Yadav on Wednesday held out an olive branch to Chirag Paswan, saying the beleaguered LJP leader must reconsider his continuance in the NDA, led by the BJP which swore by the RSS ideology instead of the Constitution.

The leader of the opposition also charged the ruling JD(U) in Bihar with being the "mastermind" behind the split in the LJP, which has left Chirag cornered within the party headed by him till recently and founded by his late father Ram Vilas Paswan.

Yadav, who was talking to reporters at the airport here upon his return from Delhi after a long stay, also sought to remind Chirag that in 2005 and 2010 simi-

lar splits had been engineered by the JD(U) in the LJP while his father and RJD supremo Lalu Prasad had "helped Ram Vilas get a Rajya Sabha berth when he had lost his own Lok Sabha seat". "Chirag Paswan must now decide whom he wants to stand by those abiding by the bunch of thoughts (a famous polemical work by RSS ideologue MS Golwalkar) or those for whom the Constitution drafted by BR Ambedkar is supreme," said Yadav.

## Chinese actions led to LAC stand-off: India

NEW DELHI

India on Thursday blamed China's actions of amassing a large number of troops close to the border and attempts to unilaterally alter the status quo along the Line of Actual Control (LAC) last year for the continuing military standoff in eastern Ladakh, and asserted that these acts were in violation of Sino-India bilateral agreements.

India's strong comments on the border row came a day after China said its military deployment in the region is a normal defence arrangement aimed at "preventing and responding" to "encroachment and threat" on Chinese territory by "relevant country".

"It is well recognised that it has been the Chinese actions over the last year, including amassing of a large number of troops close to border areas in the western sector and trying to unilaterally alter the status quo along the LAC, which have seriously disturbed peace and tranquillity in the border areas," external affairs ministry spokesperson Arindam Bagchi said at a media briefing. "These acts are in violation of our bilateral agreements, including the 1993 and 1996 agreements that mandate that the two sides shall strictly respect and observe the Line of Actual Control and that two sides will keep their military forces in the areas along the LAC to a minimum level," Bagchi said.

He was responding to a question on the comments made by Chinese foreign ministry spokesperson Zhao Lijian on Wednesday that the military deployment by China in the western sector along the border is a "normal defence arrangement".

"China's military deployment along the western section of the China-India border is a normal defence arrangement aimed at preventing and responding to encroachment and threat on China's territory by relevant country," he said.

Zhao made these comments when asked about External Affairs Minister S Jaishankar's recent remarks that the issue relating to the border row is whether Beijing would live up to its written commitments about not deploying a large armed force along the frontier.

## Be vocal for local toys, Modi asks people

AGENCIES / NEW DELHI

Calling on people to be "vocal for local toys", Prime Minister Narendra Modi on Thursday said about 80% of the toys were being imported by India with crores of rupees going abroad and asserted that it was very important to change this situation.

Noting that India's share is only about 1.5 billion dollars (over Rs11,000 crore) in the global toy market of nearly 100 billion dollars (Rs7.5 lakh crore), Modi pitched for improving the country's standing in what he called "Toyconomy" or the economic aspects of the

toys and gaming industry. PM Modi made the remarks after interacting with participants of Toy-cathon-2021 via video conferencing.

Toy-cathon-2021 was jointly launched by the Ministry of Education, Ministry of Women and Child Development, Ministry of Micro, Small & Medium Enterprises, Department for Promotion of Industry and Internal Trade (DPITT), Textile Ministry, Information and Broadcasting Ministry and All India Council for Technical Education (AICTE) on January 5, 2021 to crowd-source innovative toys and games ideas.

## Kerala HC to cancel Vijayan ordered probe against its officials

**KOCHI:** Enforcement Directorate on Thursday approached Kerala High Court seeking its intervention to cancel judicial probe ordered by CM Pinarayi Vijayan against ED officials who pressurised two prime accused in gold smuggling case to confess against Vijayan. In their petition, it states that Vijayan has violated his official position by ordering this judicial probe and the Kerala government has no right to do so. Even though the probe was announced during the fag end of the first Pinarayi Vijayan government, the orders appointing Justice (ret'd) V.K. Mohan came after Vijayan retained power in the April 6 assembly polls, but before he was sworn in a second time.

## Barla meets Guv on post-poll violence, NHRC team in WB

OUR BUREAU  
KOLKATA

BJP MP John Barla along with Kumarganj MLA Manoj Orao met West Bengal Governor Jagdeep Dhanekar at Darjeeling Governor's House to discuss the post-poll violence situation in North Bengal.

Speaking to media the BJP Alipurduar MP said that he only spoke on the rising post-poll violence in West Bengal and refused to comment on his demand in giving separate statehood to North Bengal.

Notably, the BJP MP citing 'non-development' and 'post-poll violence' had several times urged that North Bengal should be made either a separate state or a Union Territory. Barla even claimed that once the pandemic situation becomes normal then in person he will meet President Kovind, PM Modi and Home Minister Amit Shah and will place his demand. Incidentally,

Meanwhile, a three member team of NHRC following the order of Calcutta HC visited 7 districts in 7 Bengal to take stock of the violence. According to NHRC sources, dividing into five teams the NHRC team visited Siliguri, Cooch Behar, Harao in North 24 Parganas on Thursday.

It can be recalled that the saffron camp had filed a PIL in High Court regarding increase in post-poll violence and for displaced BJP workers.

Following the arguments given by the BJP lawyer Priyanka Tibrewal, the HC had ordered NHRC along with SHRC to form a committee and review places where violence took place and also asked them to submit the report before court by June 30.

## Raj Cong, race to get support from outsiders

OUR BUREAU  
Jaipur

The infighting in the Rajasthan Congress has reached the next level. Now there seems to be a race to get support from outsiders and others.

CM Ashok Gehlot has got support from 12 out of 13 independent MLAs, who convened a meeting on Wednesday and give full support to Gehlot, while on the other hand, 15 party candidates defeated in assembly elections of 2018 has written a letter to Sonia Gandhi, complaining her about the undue importance given to Congress turned BSP MLAs and independents in political appointments and works related to their constituencies.

In a meeting on Wednesday evening, 12 out of 13 independent MLAs have expressed full faith in CM Ashok Gehlot.

The MLAs said that the decision of cabinet expansion is the prerogative of the CM. Pressurizing him for this is not in the interest of the people of the Rajasthan. The MLAs added that all attempts to destabilize the government will be given a befitting reply as was done in July last year.

In the meantime 15 Congress leaders who lost the assembly elections of 2018 have written a letter to the Congress president Sonia Gandhi which says "We welcome the support of BSP MLAs who joined Congress and independent MLAs to the government, but in the 2.5-year tenure of the party's government, there was negligible participation of the Congress leaders in the appointments of the officials or the nominated councillors while BSP turncoats and independents have given

full importance."

These leaders have even alleged in the letter that despite the full majority the party is taking support of independents and BSP turned Congress MLAs and this is weakening party workers and organizational structure of the party in their constituencies. Party sources say that signatories on the letter are believed to be Pilot supports as it was Pilot

**"We express full faith in Gehlot. We supported the govt in and outside the assembly and will continue to do so as it's our primary duty to give a stable govt in the state."**

IND MLA

who gave tickets to them as party president at the time of election.

The sources in the party say that the factionalism is intensifying as the series of events suggest that factions of both Gehlot and Sachin Pilot are seem playing a game of check-mate and leaving no chance to counter each other.

First, it was the Pilot faction who came out and demanded to fulfill the promises made to them by the party. Then came MLAs who switched over to Congress from BSP and supporting the government to counter the demand of Pilot faction and show full confidence in Ashok Gehlot's leadership, and now, on one hand, the show of loyalty from independent MLAs for Gehlot and on the other hand a letter of complaint from defeated Congress leaders to counter them.
